The Board of Welfare

This is the fine group of upstanding boys and girls who help pass the school laws and enforce them. The board is divided into several enforcement committees; these committees all have important duties for keeping our school in top notch condition. There is also a special committee for investigating lockers. The locker investigation is a very important function of the board. Hats off to these swell fellows and gals, who receive little thanks for their wonderful work!

VARIETIES

The Varieties is presented annually by the students of Sequoia to raise funds for the student body. There are about three hundred students involved and they make their own costumes, props, and stage settings. The participants work on a budget of \$1300 and there are two evening performances and one matinee. The Varieties is always a great success and tickets to each show are scarce. "No Rhyme, No Reason" consisted of a prologue and four acts. The prologue, which contained some excellent dancing and singing routines, portrayed the four seasons of the year while each act was concerned with just one season. Act I was staged in the U. S. A. in the Fall with the girls and boys dancing the Charleston. The old dance brought back many memories to the audiences. Act II took the place of the Winter scene and was located in the frozen Yukon. The chorus line of boys added a humorous note to the show. Act III depicted Paris in the Springtime and the scene was very gay with flower girls dressed in bright skirts and blouses and the French chefs in their white suits. The final season, Act IV, was Summer on a tropical isle. The scene was very exotic as the students enacted an under-water drama. Everyone in the cast enjoyed working on his part and the audiences thought the 1951 Varieties was enjoyable.

Money Matters

Karin's three secretaries, Margaret Levis, Donna Sloan, and Sally Coburn, have worked industriously this year, first learning the business and then proving themselves to be a group of hard working assistants in a difficult job.

These representatives of the hard-working finance committee are, from left to right, top row: Shirley Silvers, Shirley Jasmine, Sue Price, Linda Dorcy, Sally Coburn, Sharon Boyle, Pat Stewart, Dovaleen Gross, Sue Pierce. I'd like to thank my secretaries and my advisor, Mr. Carl S. Underwood, for helping me to make this year a successful one. Being Commissioner has introduced to me many new experiences. I hope next year's Commissioner of Finance will benefit as much as I have from this office and what it represents.

The Freshman Clean-up

Plenty of Spirit here!

... and academic spirit

The Varieties bring out School Spirit

This is the first year for a Commissioner of School Spirit, and the first for a School Spirit section in the Yearbook. As you can see, we have included other things besides rallies and games in this section, because we believe School Spirit is more than cheering for your athletic teams—it is working hard on the Varieties, putting on a campaign to clean up the campus, dedicating a United Nations flag as a memorial to our Korea war dead. As our conception of School Spirit grows, so will this section.

Publications

The Board of Publications was formed this year to help unite Sequoia's three publications—the Year Book, Young Ideas, and the Sequoia Times. Members of the Board include, left to right: Barbara Mills, editor of Year Book; Diana Grohs, commissioner of publications; Kay Bowen, Times editor, and Marilyn Ditzen, Young Ideas editor. Standing behind Kay is Mr. Ted Meltzer, advisor to the Times.

Proving that a lot of work can be done by a few people, is the small staff of Young Ideas, Sequoia's own literary magazine. Included in Young Ideas are stories, essays, and poems contributed by Sequoians, drawings illustrating the stories, and pictures of the outstanding writers. Members of the staff are, left to right: Bob Brown, business manager; Marilyn Ditzen, editor; Virginia Davidove, and Joan Kimmey. Miss Violet Palmer is advisor to the staff.

Members not shown are Gerry Colby, Barbara Decia, Pat Fallon, Leigh Heldman, Bob Montiels, Pete Pohlhammer, Jean Porter, and Judy Silveira.

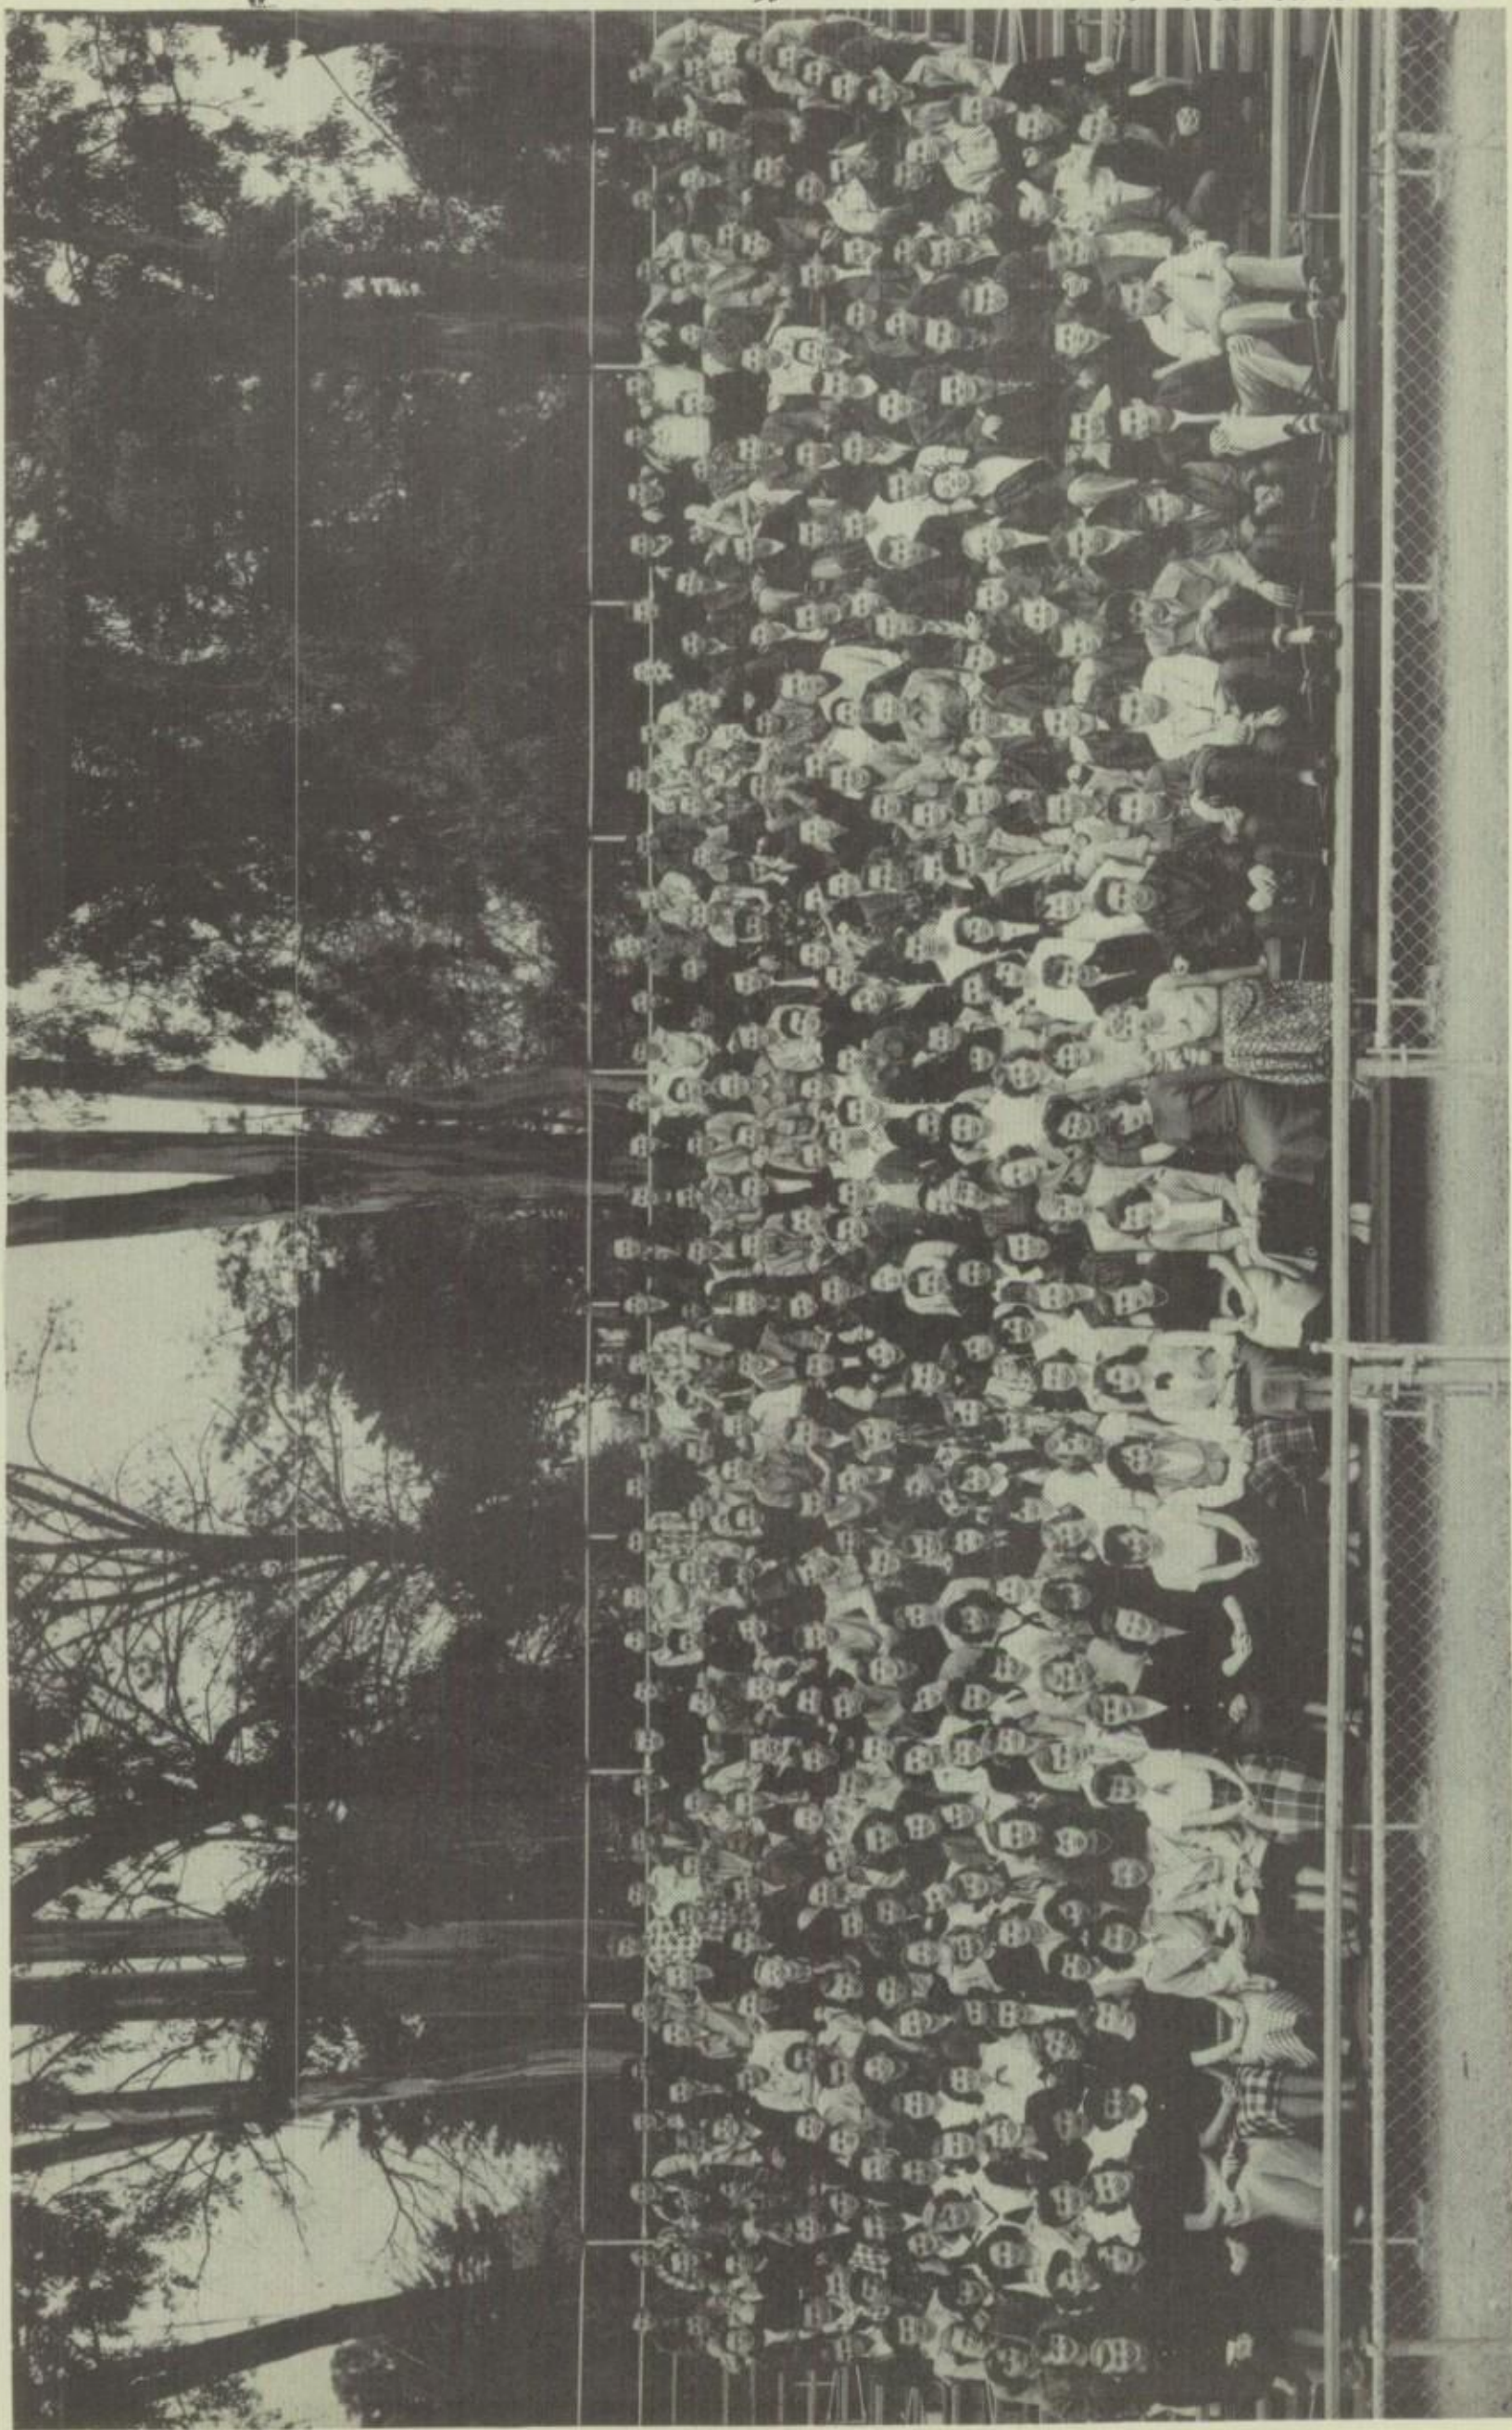

The Class of Fifty Four is one of the largest ever to attend Sequoia. The class officers were elected by the Freshman Board, which consists of one representative from each Basic Course class. The Board's main project of the year was a campaign to clean up the campus. An inventory was taken of all garbage cans, where they were located and where they were most needed. A slogan contest was held and prizes were awarded for the best slogan. All garbage cans were given a new coat of paint, and appropriate slogans were painted on them. The "Freshman Folly," the annual freshman dance in late April, was one of the big events of the spring semester.

This is a group of hard-working Freshmen helping clean up the campus. Now you can see why the campus was kept so clean during the year. As you can see, the garbage can is newly painted with a slogan on it. That was part of the campaign.

SOPHOMORE BOARD MEMBERS—Front row, left to right: Margie Hahn, Eleanor Kramer, Sally Stoskoph, Sue Furbush. Middle row: Wilma Sprinkle, Carol Luby, Lorraine Lopez, Roanne Lindquish, Bethy Mosher, Jackie Brown, Oletha Maples. Last row: Connie Stelmack (non-member), Lewis Knoflar, Leslie Danknell, Walter Prindle.

This year the sophomore class has some 800 members. The class has been very active, having had a Sophomore Hop. Approximately fifty people attended the dance. This may seem a small percentage of so large a class, but it is to be remembered that sophomore boys are younger than junior and senior boys and freshman girls, and the biological urge is probably less strong than in their older brothers. Also it is probable that many of the sophomores were home studying. Maybe they just don't like dancing. Or maybe they have a sub-conscious hatred of sophomore girls and haven't had the opportunity to meet other girls, due to the fact that they haven't had any other recs or class social activities. Anyway, the class is still strong, and they can all look forward to an invigorating junior year. And remember, girls, there are always the "older men" in the upper classes.

Pictured at right in Miss Cochran's period 6 English 2 class is Betty Mosher, who is conjugating a verb for the entertainment of her friends. A verb is a word which shows action or state of being. When there is more than one verb in a sentence, they are called adverbs, "ad" from the Latin meaning "plus" and "verb" being self-explanatory. Nouns are names of things or people, and are either proper or common, depending upon the action of the verb. Words which have the same meaning as a noun and therefore agree with the noun are called pro-nouns. Apparently words do agree with the noun, because we never hear of an anti-noun. Intermarriage is not uncommon, for example a verb and an adjective and their participial off-spring. Such participles, although not rebreds, are generally accepted unless they dangle. A good participle allows itself to dangle. Now that confusion is clarified, shall we return to conjugations?

Class Diary

The last rung in the ladder has been reached by the Class of '52 as they step up to be Lofty Seniors. This year the Junior class has participated in the Student Body Government, Board of Welfare, Varieties, Social Activities and Sports. Jean Harris was voted Queen of the Football Team. Carole Hemphill and Judy Younger were Princesses. Janice Arthur, Judy Butler and Charline Plant were elected as Student Court Judges.

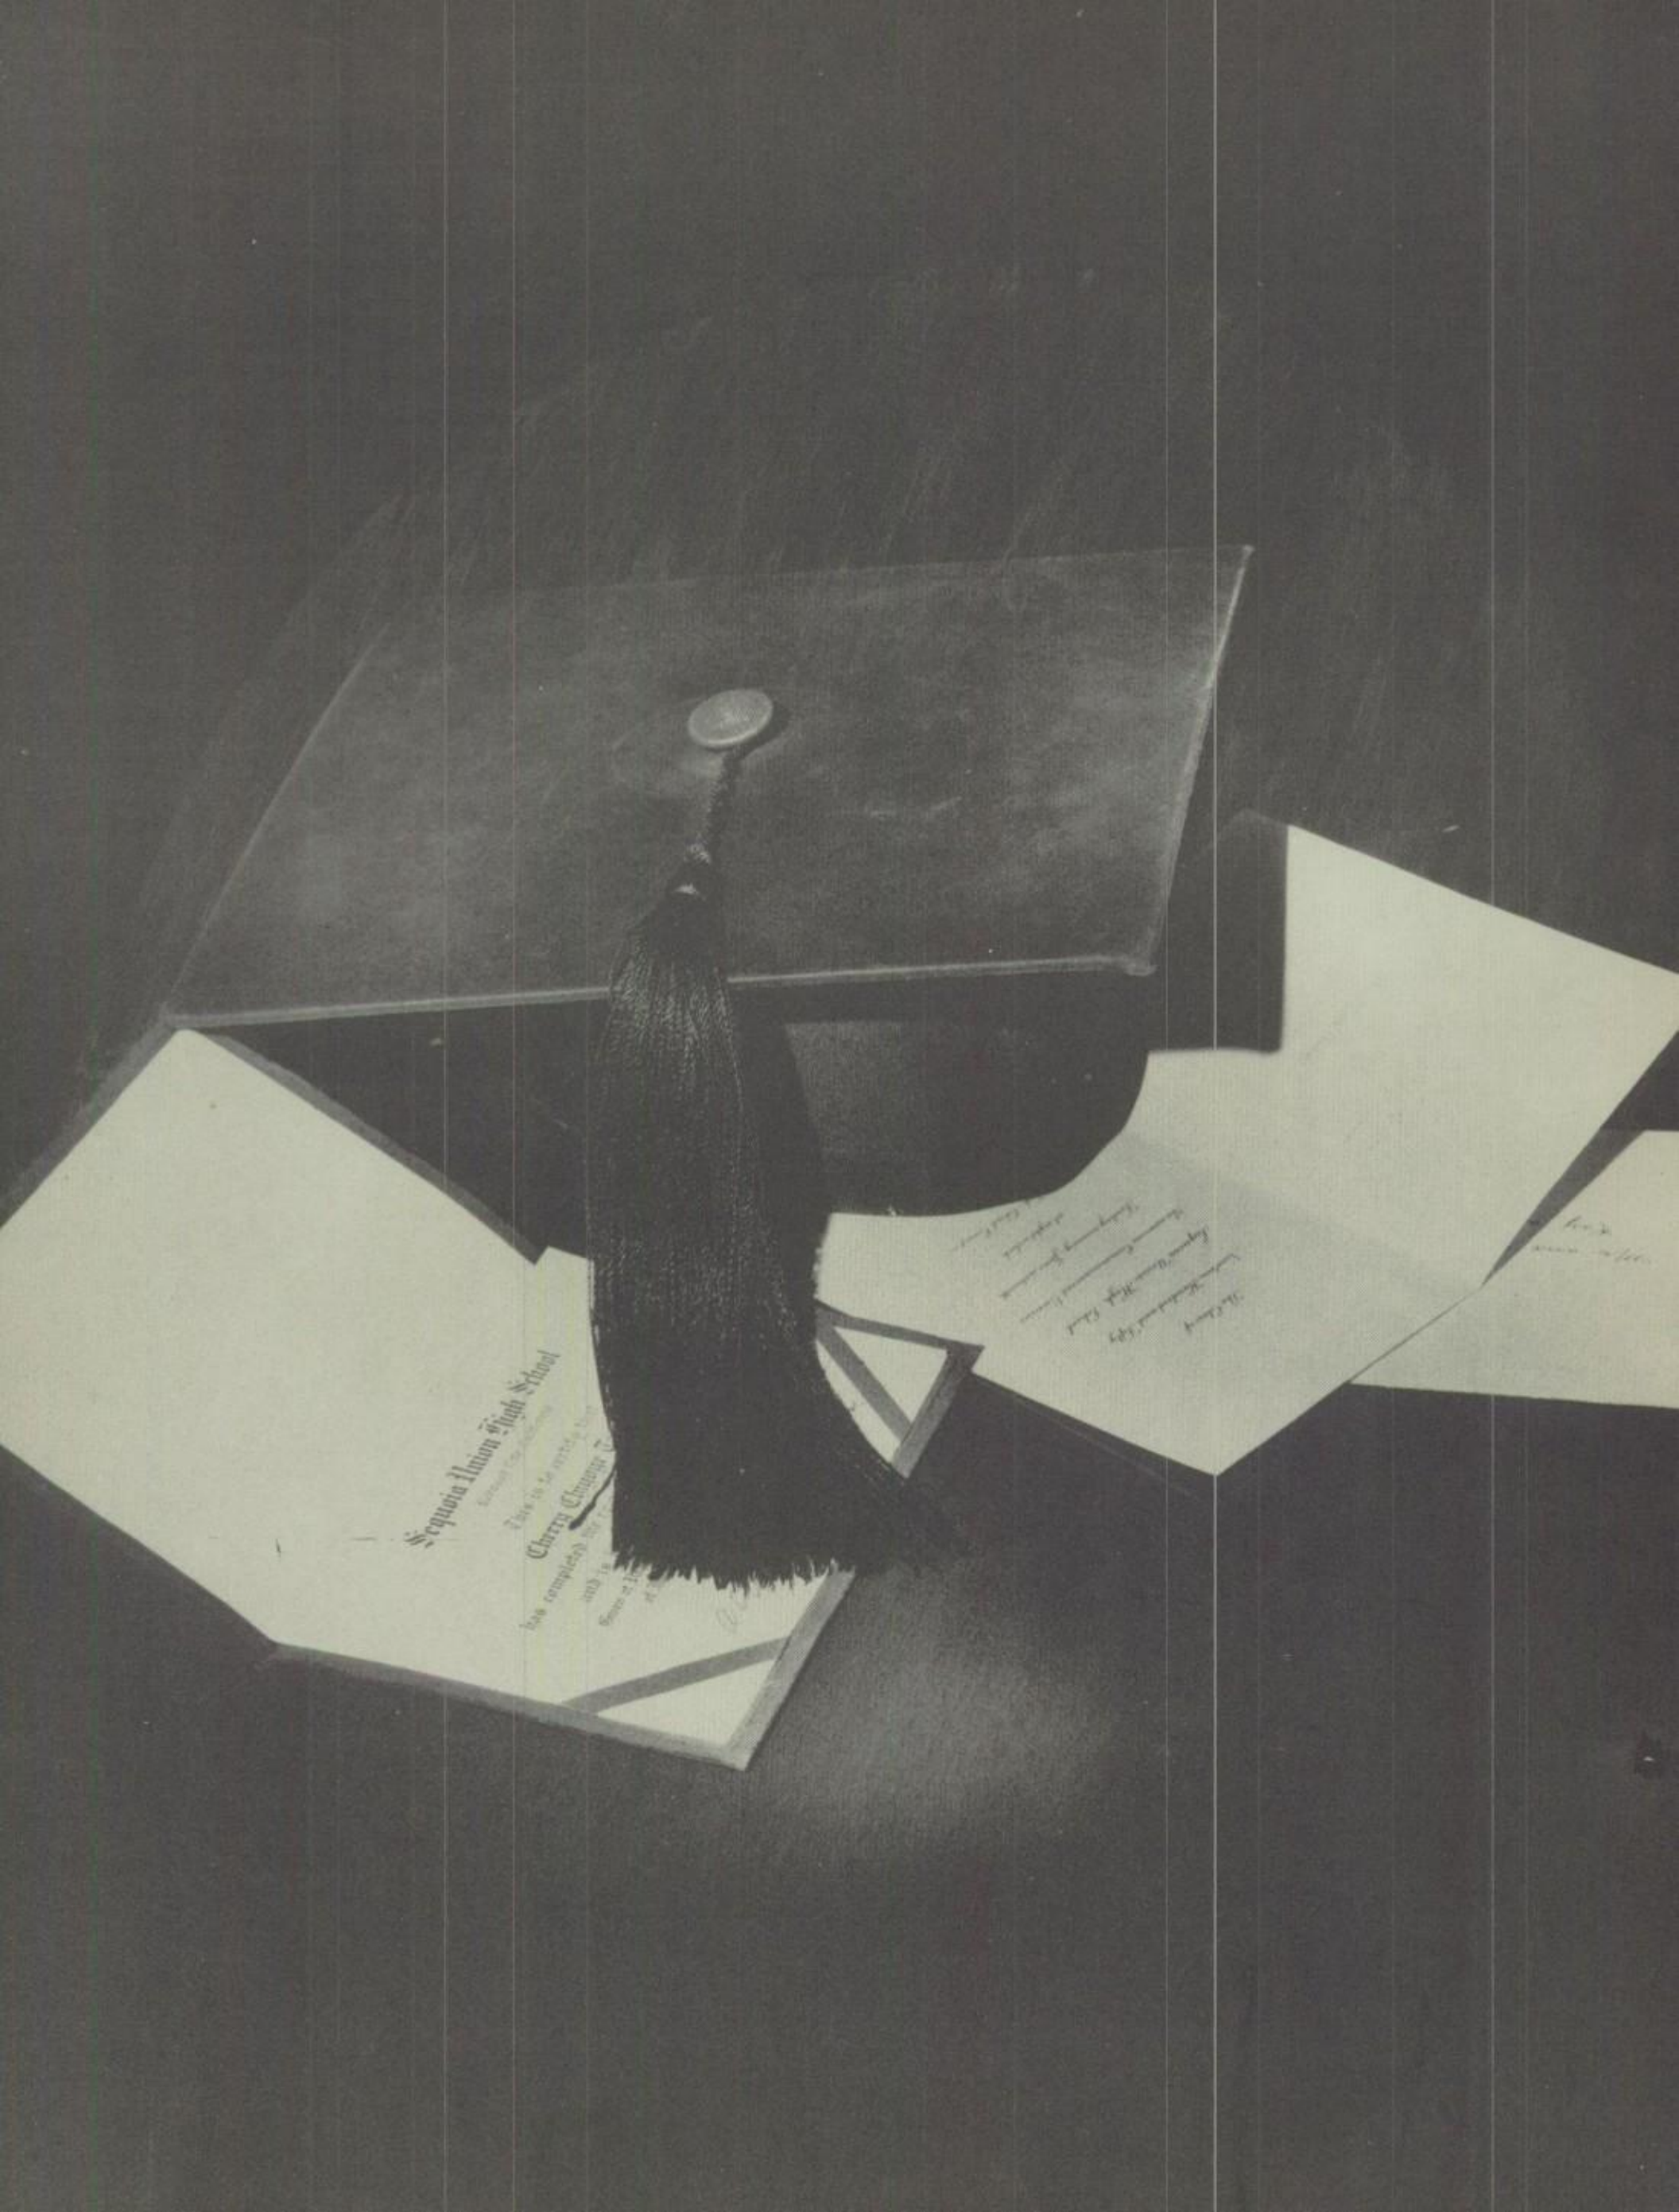

The Junior Prom was held at the Peninsula Country Club. It was expected to draw a large crowd. Also on the social side was the Paly-Sequoia Basketball dance, The Double Dribble Bounce, which was a great success—sponsored by the Juniors. The concessions at the football games were also undertaken by the class. In their Senior year they will be divided into two groups — attending Menlo-Atherton and Sequoia. Good luck to both!

JUNIOR BOARD MEMBERS standing in the Tea Garden are, from left to right, in the back row: Meb Buchanan, president, Dean Cummings, Ted Gabriel, Jim Imbernon, Mercedes Wisler, treasurer, and Sandy Teboe. Those standing in the second row are Pat McGaffigan, Lynn Colebourn, secretary, Emma Jo Weber, Sandy Brust, Janet Kellog, Bonnie King, Dova-line Gross, and Jean Gandrud. Joan Olsen, Elaine Neiderhoff, Joanne Sisson, and Sharon Boyle are kneeling in the first row. Many thanks go to the Junior Board for making this, our Junior year, a memorable one.
